Our Kids Camps operates in parallel to our Junior Centres in Southampton and Reading. They are run by staff who specialise in the care and education of younger learners.

Students follow our specially-designed Kids Camp syllabus and activities programme, which have been created to ensure a fun-filled learning experience, and an attractive balance of English lessons, sports, arts, games, cultural activities, parties and trips to suit the age group. The programme follows a weekly theme. This means that during certain activities, students can practise using the vocabulary they have been learning in class.

At our Kids Camps, we place great emphasis on care and supervision, with a high staff:student ratio on activities (1:8) and separate accommodation.
